#### **Australian Heritage Advocacy Alliance (AHAA) Launch**

Heritage asset preservation is at the core of all that we do at MMHN. We recognize that heritage assets in many forms have meaning and value for all citizens – social, cultural, and economic value. MMHN joins with other heritage stakeholders in AHAA to ensure that candidates contesting the federal election in all 151 electorates across the nation are fully aware of the loss of irreplaceable heritage assets will mean for Australia into the future. Soon an AHAA Launch email will be emailed to you.
